--Gender Equality & Culture Exchange

International Youth Action • 2017

Background:

Gender Equality is not only a fundamental human right, but a necessary foundation for the creation of sustainable and peaceful societies. UNESCO's published report on Gender Equality: Heritage and Creativity vividly demonstrates the need for deeper debate, research and awareness-raising on the need for equal rights, responsibilities and opportunities for women and men, boys and girls in the fields of heritage and creativity.

Introduction:

Smart Lady & Smart Life - Gender Equality & Culture Exchange International Youth Action • 2017 is sponsored by the **Beijing Municipal Women's Federation and Beijing Women's International Center**, organized by **Beijing International Chinese College**. Since 2014, three annual projects have been held with more than 200 international volunteers and thousands of teenagers from over 20 countries participating. Special activities were carried out, with the theme of gender equality and sustainable development, to develop women's rights, inherit and protect traditional and natural heritage, promote exchanges with foreign countries and let the world know more about Beijing. Besides, their experience and ideas in those activities were spread to the whole world through their own way. The camp is in Yanqing District, Beijing, which is the main region of 2022 Winter Olympic Games.
